AFFIDAVIT IN SUPPORT OF COMPLAINT

I, Lori Robinson, having been duly sworn, hereby depose and state:

AGENT BACKGROUND

- 1. I am a Special Agent with United States Immigration and Customs Enforcement Homeland Security Investigations ("HSI") and have been so employed since 2014. I am currently assigned to the Manchester, New Hampshire field office. I am authorized to investigate crimes involving violations of Title 18, Title 8, Title 19, and Title 21 of the United States Code (USC). As part of my regular duties as an agent, I investigate criminal violations relating to a broad range of immigration and customs related statutes, including those relating to child exploitation, child pornography, and human trafficking. I have received training in the area of child pornography and child exploitation. I have assisted investigations and executed search warrants involving child exploitation and child pornography offenses, including search warrants of electronic devices. I have received training relating to the trafficking in persons, including sex trafficking, and other offenses.
- 2. I have participated in investigations of human trafficking, human smuggling, alien harboring, border violations, drug and firearm trafficking, and related offenses. Many of these investigations have had national or international connections, and many required me to work closely and share information and intelligence with members of other federal, state, and local law enforcement agencies. I have debriefed, and continue to debrief, defendants, informants, and witnesses who have personal knowledge about human trafficking, including sex trafficking, and other crimes occurring in New Hampshire, nationally, and abroad.
- 3. From my training and experience, I know that individuals are trafficked for several purposes. Some forms of human trafficking involve involuntary servitude, peonage, debt bondage

and slavery. Victims are often trafficked by force, fraud, and/or coercion. I am familiar with the federal laws regarding human trafficking, including 18 U.S.C. §§ 1591 and 1594 (Sex Trafficking).

- 4. This affidavit is submitted in support of a criminal complaint charging Arthur Picanco with Attempted Sex Trafficking of a Child, in violation of 18 U.S.C. §§ 1591(a)(1), b(2) and 1594(a).
- 5. As described below, there is probable cause to believe that, on November 14, 2024, in and around Manchester, in the District of New Hampshire, Picanco did knowingly attempt to, in and affecting interstate and foreign commerce, entice, obtain, solicit, and patronize by any means a person, knowing and in reckless disregard of the fact that the person had not attained the age of 18 years and would be caused to engage in a commercial sex act.
- 6. This affidavit is based on my personal investigation and investigation by others, including federal and state law enforcement officials whom I know to be reliable and trustworthy. The facts contained herein have been obtained by interviewing witnesses and examining data obtained in the course of the investigation as well as through other means. This affidavit does not include every fact known to me about this investigation, but rather only those facts sufficient to establish probable cause.

FACTUAL BACKGROUND

7. Beginning on or about November 14, 2024, law enforcement agents posted an advertisement (the "Advertisement") on a website commonly used to advertise commercial sex acts. The Advertisement contained images of what appeared to be two young females and the following language:

2

¹ Based on my training and experience, I know that the Internet is global network of computers, which is a means and facility of interstate commerce. I also know that the website on which the Advertisement was posted is viewable outside of New Hampshire.

- The Advertisement indicated that the person who would perform commercial sex 8. acts was 99 years old.² The Advertisement also contained a contact phone number (the "Advertisement Number"). Law enforcement agents monitored this line and an undercover agent ("UC1") used it to communicate with potential sex buyers, including Picanco.
- 9. On or about November 14, 2024, the Advertisement Number received a text message from a phone number ending in 4378 (the "4378 Number") in response to the Advertisement. Thereafter, a text conversation between UC1 and the user of the 4378 Number ensued. UC1 stated that he/she had two minor girls—ages 12 and 14 years old—available to perform sex acts in exchange for money. The user of the 4378 Number agreed to pay \$100 to have sex with the 14-year-old girl:

PICANCO	Hi
UC1	hello hello
PICANCO	Are you in New Hampshire
UC1	ya hun my girls are in manchester 😉
PICANCO	Your girls? Any in salem nh?
UC1	ya hun theyre my daughters. no sorry
PICANCO	Are you affiliated with any type of law
	enforcement
UC1	No!!! Are you? im not lookin for any trouble
PICANCO	No, I'm not
PICANCO	So i need more pictures of your girls please
PICANCO	Im not a cop
UC1	what u lookin for?? hr or hh?

² The law enforcement agents used a website that is known for containing prostitution

[&]quot;Sweet & tight! Ready 2 have some fun!"

[&]quot;In town 4 a limited time only"

[&]quot;Cute & very petite girl that is tight from head to toe! Cum over to play with me!"

[&]quot;Text for donations. Incall only – safe and discrete location."

advertisements but requires users to be at least 18 years old. Based on my training and experience, I know that this website and others like it have been used by traffickers to advertise the commercial sex acts of children under the age of 18.
